RE: Amanda Cintron v. Albert Einstein College of Medicine, et al.  
Case No.: 1:21-cv-06256-JGK

Dear Judge Koeltl:

We represent the Defendants in the above action. We write with consent of opposing counsel to request an amendment to the current scheduling order in this case.

Under the current scheduling order, the joint pre-trial order is due on November 25, 2022. Mediation, however, is presently scheduled for December 6, 2022, and the parties agree that it would be more practical for both sides if the joint pre-trial order and/or summary judgment motions did not become due until after this mediation. We therefore respectfully request an extension to December 13, 2022, of the deadline by which the parties must request a pre-motion conference for any anticipated summary judgment motions; and to January 6, 2023, for the parties to submit a joint pre-trial order if no summary judgment motion is filed.

We thank the Court for its attention to this matter.

Respectfully submitted,

Helene R. Hechkopf
